

## Updates & News

### Christmas Lunch

Don't forget the Flying Pig Christmas Lunch on Tuesday 15th December. Lunch will be served in the Conference Room and followed by the raffle draw and a quiz. Raffle tickets are available from the Café and TFC office. All proceeds to the Air Ambulance. The gorgeous hunk below is just one of the many prizes on offer.

### Sustainable Transport

On 18th and 19th November the Sustainable Vehicle Engineering Centre (SVEC), a department of Oxford Brookes University, held a two-day conference and exhibition at the airfield. The **Whole Life Vehicle Conference** explored the development of the future of sus-

tainable transport. Speakers included Richard Noble OBE, Project Director for Bloodhound Super Sonic Car; Professor Brian Collins of the Department for Transport; Christopher Maltin of Organic Power and many other important and innovative people from the sustainable transport industry.

Thanks to the co-operation of Caseright we were able to hold the vehicle exhibition in the Building 10

hangar (see left) while the conference took place in the Conference Room. For more information about the event please visit the SVEC website at [www.drivenet.org.uk/](http://www.drivenet.org.uk/).

### VIP Visit for Rally-school

Bill Gwynne Rallyschool had a visit from the Mayor and First Lady of Indianapolis last week as part of an Economic Development trip to Motorsport Valley, arranged by the Motorsport Industry Association (MIA).

The Mayor and First Lady are pictured above with Bill Gwynne.

## December Diary Dates

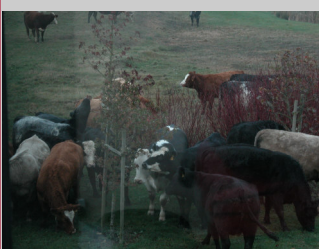

Advent begins	Tues 1st Dec
The Flying Pig Christmas Lunch. CAFÉ CLOSED	Tues 15th Dec

VAC Snowball Rally	Sat 23rd Jan
VAC Spring Rally	Sun 28th Mar

### Christmas Eve

The café will be open from 11:00 to 12:00 ONLY and will serve a limited menu.

## 2009 Gallery

On Friday 6th November we were greeted by the unusual sight of a herd of cattle happily grazing on the landscaped area adjacent to the runway (below). They had a good chomp on the remaining foliage before being returned to their rightful field by the owner!

Due to the snow in February the VAC postponed the Valentine Rally and instead held a Spring Rally in March (below). The fly-in was so

popular that it has been added to the VAC annual calendar of events and in 2010 will again be held at Turweston on March 28th.

We won't forget this sight above Turweston. The mighty Vulcan provided a fabulous fly-past at our Wings & Wheels event in September.

As always, please visit our website for more photographs: [www.turwestonflight.com/airfield/airfield\\_gallery.htm](http://www.turwestonflight.com/airfield/airfield_gallery.htm)

### Ideal
