

GARYR - Piper Cherokee 180
1/5 Share £4950

Very well run and friendly group, with e-allocator internet booking. £69 per hour, £100 per month including home landings.

4500 TT, 350 SMOH in 2006

Meticulously maintained by Akki Aviation and hangered at Turweston. With engine overhauled 2 years ago and paint / leather interior approx 9 years ago, this is one of the best 60s Cherokees around.

Good performance with recently overhauled 180hp Lycoming O-360 A4A. 1000 lb useful load, cruises comfortably at 110kt and impressive take off / climb. 40 imp gal tanks give over 4 ½ hour range. Used regularly for touring.

Nav / Com 1: TKM 170C with VOR/GS (new 2005)

Nav / Com 2: King 170A with VOR
