

Update Thursday 27th August 2009

Flying Thursday 27th and Friday 28th August

Flying will commence at 14:00 today (Thursday) and continue until 19:30. There are about 6 flights remaining to finish the Free Programme in which each pilot flies a sequence that they have composed themselves. The manoeuvres must demonstrate a high level of technical difficulty and a wide variety of flying techniques.

On Friday flying is scheduled to resume at 09:00 until 19:30. It is expected that the pilots will fly the "Unknown" sequences.

Transport from Turweston Aerodrome to Silverstone Circuit

Turweston will continue to provide transport from the airfield to Silverstone Circuit throughout the Championship. Tickets cost £10 + VAT per person (return) and are available in advance (recommended for 28th and 29th) or on the day. Please note that we are sold out of seats on the 10:00 shuttle on Saturday 29th August, but spaces are available at other times during the day. The shuttle times are necessarily be limited by our operating hours which are available on the Aviation page of our website under Pilot Info. The last permitted departure time from Turweston on Saturday 29th is 18:00 (local).

BAeA Marquee at Silverstone Circuit

Please note that the BAeA still has limited availability in the hospitality marquee for 20th to 27th August. Tickets cost £10 per person and can be purchased from Angela Cassidy of the BAeA ACBCassidy@aol.com. Some tickets will be available for purchase on the day. The marquee is located adjacent to the active runway and offers a fantastic view of the box.
